£5.00 for under 12s
and there will be music!
For tickets, ring Angela on
259 587

Village Halloween Party

Please look out nearer the time on village board for info.

Stephen Rose makes £1300 for Church More Church News

Stephen Rose took part in the Annual Suffolk Churches Bike Ride in September. He says:-

I hurt my back a few weeks ago so I had to walk it as I couldn't ride a bike. I started at Finningham at 9 o'clock in the morning and then went to Westhorpe, Wyverstone, Great Ashfield, Hunston, Stowlangtoft, Langham, Walsham le Willows, Wattisfield and then Badwell Ash. It took me 7 and a half hours of walking. I didn't train for walking it and I just had normal shoes on. It hurt a lot, but I didn't want to let people down. I raised about £1280.

Application to build houses on School Plot

MidSuffolk District Council Planning Department are currently deciding on the application submitted to build two houses on the Badwell School plot. The 'one and a half storey' detached houses are designed with front gardens. Garages behind would be accessed off the lane to the Village Hall.

The Parish Council did not object to the plans, comments from the public are closed and the target date for a decision, has passed. The plans can be viewed at MSDC offices in Needham Market, or online at midsuffolk.gov.uk – application no 2674/15

The Curry Night at the White Horse!

The traditional home curry began with a starter; poppadum's, yogurt roita, mango chutney, kebabs and a vegetable samosa. The main consisted of a chicken curry (mild), prawn curry (medium heat), bombay potatoes, rice and chapatti's. Ending with a choice of English desserts; lemon cheese cake, chocolate brownie and fruit pavlova.

There were 26 guests and 3 take a-ways because they could not make it on the night. Service was delayed due to the chef (me) still cooking. Luckily, there were no complaints, apart from one - YOU know who you are! The guests were shown to their seats and the feast began.

I would like to thank Lexi, Clare and Jessie. Lexi made the lovely desserts and with Clare ensured the tables were served and cleared. Jessie helped in the kitchen and plated the food. The evening would not have been such a success without their efforts and assistance. I am also grateful to Ash Simpson of The White Horse for allowing us the use of the kitchen facilities and to take over the pub for the occasion, and all those who came to support and eat the meal. Thank you to all of you.

We raised £320 on the evening. I believe every one survived my cooking, but I did hear Tesco had a good run on toilet rolls the following day. Probably something to do with the beer!

*** Sunday 18th October : Family Communion**

10.00am conducted by Rev Pam Robson

* Stephen Rose is our new churchwarden and the PCC wish him well, and hope that he receives every support for all that he plans to do to enhance the church in the community.

*We would like to take this opportunity to thank Stephen Woolcott for keeping the churchyard and the churchyard extension in such excellent order for so long. We are very grateful to him and to Jim Hilton who assists when possible. Stephen Rose is going to do the grass cutting until the end of the season, after which time we will have to research next year's maintenance.

Parish Council Report

A meeting was held on Tuesday, 22nd September in the Village Hall seven members of the public attended.

A PCSO attended reporting three crimes had occurred in Badwell Ash since the last meeting; the theft of a motor vehicle, theft of coping stones from a flint wall and burglary of a dwelling with intent. The current police priority is youth engagement. It was asked if S.I.D. could be deployed in the village on the main road near St Mary's Crescent.

A number of maintenance works have taken place in the village including the oiling of benches, alleyway cleared, dog bin post mended, clearing weeds and guttering at the village hall. The history working group are pushing ahead with a number of costings being received and they have given a talk to residents at Stowlangtoft Hall.

Preparations are going ahead for the Remembrance Day on Sunday, 8th November – see p4.

Council was informed a jumble sale to be held on 3rd October in the village hall and the bonfire and firework event will be taking place on Friday, 6th November with gates opening at 6pm. One planning application had been received for tree works to take place with Council having no objection.

The next meeting of the Parish Council will be held on Thursday, 19th November at 7.30pm in the Village Hall.

PAWS WITH A CAUSE

On Sunday 25 October EAAA will be holding a sponsored dog walk in the beautiful grounds of Glemham Hall. Dogs are invited to register to take part and raise sponsorship for our lifesaving charity, while bringing their owners along for some exercise. With the added bonus of dog agility and pet portrait photography, this is set to be a great day out with something for everyone!

Around 400 pooches and their humans are expected to turn out for a stroll and this is a unique opportunity since the parkland is not usually open to members of the public. We hope you will agree it would be barking to miss this fantastic chance to be part of such a wonderful event.

Registration costs just £5 per pooch and each participating dog may bring their human free of charge. To register your dog, for more information, or if you have any questions, contact the fundraising team on 01473 745007 or visit eaaa.org.uk.

Football News

Badwell Ash Football Club is playing in the Division 4 KO Cup - Group Stages. The season started on the 30th August. The first game was against AFC Norton who beat Badwell Ash FC 7 - 0 last season. This time round Badwell Ash had the upper hand winning 4 - 2. The summer training paid off.

The second match was against Abbots who last season won 5 - 2. The game was exciting and thrilling to watch. Abbots were 3 - 1 up at half time. Was this going to be a repeat of last year's result? No. A few changes made at the start of the second half saw Badwell Ash change gear to win 6 - 4. Two wins in a trot. Great start to the group.

The next game was against Westbury Social Club. Last season the game was close and Badwell Ash won by 1 goal. On this occasion Badwell Ash didn't allow Westbury to get off the starting blocks and won 6 - nil.

The fourth game was against Eriswell. Badwell Ash beat Eriswell 2 - 1 last season. With the high of winning 3 games in a row, Badwell Ash were playing with confidence and flare winning the last game of the group 7 - 2.

Badwell Ash FC are group leaders with no defeats and are going through to the KO stages of the Division 4 Cup. Exciting!

Raffle Prizes needed

We are appealing for anyone who could donate raffle prizes for our various events throughout the year which support the Village Hall. If you have anything you can offer please call Lexi on 258010.

Police Advice on Scams and NCCZ

Scams Did you know that:

- Nearly half (48%) of people in the UK have been targeted by a scam?
- Every year more than 3,000,000 people in the UK fall victim to a scam losing hundreds and sometimes thousands of pounds?
- Online shopping & auction scams in 2013 cost consumers £64m?
- Scams come in a variety of ways, including - post, phone, email, doorstep, and courier?
- 57% of victims are 75 years or older?
- The average loss per consumer is £1000?
- Just 5% of scams are reported?

What to look for:

- If it sounds too good to be true, it probably is a scam.
- If you have not bought a ticket – you cannot have won it.
- You should never have to pay anything to get a prize.
- Take your time and resist pressure to make a decision straight away.
- Persuasive sales patter? Just say: "No thank you."
- Contacted out of the blue? Be suspicious.
- Computer firms do not make unsolicited calls to help you fix your computer.
- Walk away from job adverts that ask for money in advance.
- Neither the bank nor the police will ever ask you for your bank details.

If you need help or advice contact the Citizens Advice Bureau on 03454 040506

No Cold Calling Zones (NCCZ's)

"No Cold Calling Zones" (NCCZ's) provide residents living within the zone with the confidence to say no to uninvited doorstep sellers and to warn rogue traders and cold-callers that they are not welcome in the area.

Roads nominated by local residents to become a NCCZ are required to meet proportionality criteria. If the criteria are met, a NCCZ can be set up by Trading Standards in partnership with the local community, Suffolk Police and partners.

If doorstep cold calling is then carried out by a trader in a NCCZ, a criminal offence may have occurred. Suffolk Trading Standards can investigate and can take action using Consumer Protection Legislation.

NCCZ's are identified via street signage and doorstep stickers. To nominate a zone, or for further information call 01473 264859, or email tradingstandards@suffolk.gov.uk

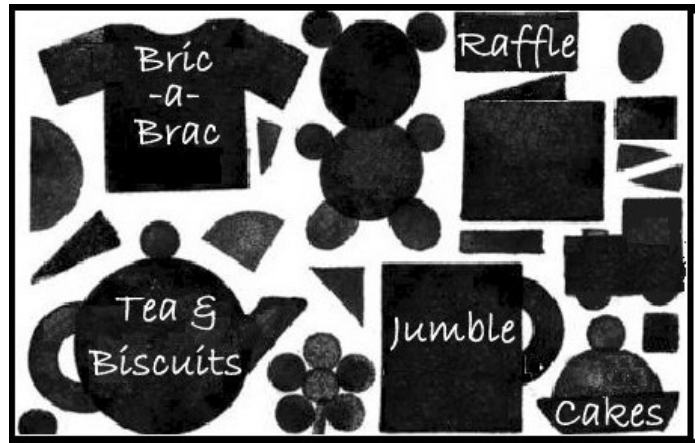

Remembrance Sunday 8th November

10.15am: Service in St Mary's
After which
Process to the Village Memorial
